

## Guide To Decluttering Your Home:

1. Clean Out your garage
2. Make 3 Area's Give, Sell and Throw out.
3. Then Start in the basement and move stuff into each pile.
4. Then Move Room To Room throughout the house. You can do 1 room a day or week but stick to your plan and you will ease the stress of selling and make your home more presentable to buyers.

### Decision Tree when getting rid of stuff!
